PUTS DYNAMITE IN WOOD TO GET THIEF; BLAST INJURES GIRL

Muncie, Ind., Jan. 27 (AP)—
That booby-trapped stick of
firewood that police have
been warning homeowners
about did blow up a stove.
And it injured a girl.

Police were notified Tues-
day that the wood exploded
Sunday night in the home of
Ernest Ring southeast of
Muncie. Ring's daughter,
Linda Ann, 10, was hurt
slightly. Four other children
in the room were not injured.
