Dear Mr. Bellairs,

The Current Information Questionnaire recently returned by you indicates that you will be teaching at Shimer College, Mt. Carroll, Illinois during the 1966-1967 school year.

As you undoubtedly realize, teacher deferments are being screened very carefully. It will be necessary for us to have a statement from your employer. He should include in this statement how long you have been employed by them, the subjects you will be teaching, the approximate number of students concerned and the availability of a replacement. Any other information he feels would aid the Board members in considering your classification should be included also.

Kindly attend to this matter at your earliest opportunity.

Yours truly,
For the Local Board

Shirley M. Stepp
Assistant Clerk
